

7th Annual Inclusive Martial Arts Tournament

Northwest Rec Center, 2913 Northland Dr. Austin, TX 78757

Celebration of Ability, Sportsmanship, Collaboration, Friendship, and Inclusion
Saturday, October 22, 2022

Dear Community Partner,

The Annual Inclusive Martial Arts Tournament was created to provide an opportunity to for students with special needs and disabilities to demonstrate their amazing martial arts skills and abilities. Seven years ago, this tournament was a small, one school event with around 20 students participating. In 2019 we had 72 competitors attending. **This year we are expecting over 100 students as well as an online division for students competing from out of state!**

We love what we do and we engage each other through creative and passionate collaboration. We represent three martial arts schools who provide inclusive and adaptive martial arts instruction. Participating schools are:

One World Karate - Austin, TX - www.1worldkarate.com

Texas Isshinryu Kai - DFW, TX - www.texasishinryu.org

Beyond Karate - DFW, TX - www.beyondkarate.com

We are extremely excited to offer this inclusive tournament for our incredible martial artists. This is an opportunity to celebrate their ability, demonstrate sportsmanship, and foster friendships.

I hope you will join us in our celebration and support our martial artists. I am inviting you to support this event with a donation. The tournament is sponsored by Texas Adaptive Sports and Recreation www.txasr.org a nonprofit organization.
